

Expedited Food Assistance Benefits

If you have little or no money, or no home, you might qualify to have your Food Assistance Program (FAP) application processed more quickly. Ask the receptionist for the short application filing form. Complete it, sign and date it, and **TURN IT IN TODAY!**

A specialist will look at the information you have provided and will be able to tell you whether you

qualify for faster service **or** if you must wait the normal processing time.

If you have the right to faster service, you will still have to complete the entire application form and talk with a specialist to see if you qualify for food assistance benefits. You will also need to provide the Department with the required documents to verify your statement **as soon as possible.**
